Purely Business!

The column of a newspaper represents a cash value, but it is not a money value. An advertisement that notices any more than a merchant can take in a day is not worth the cost of the goods or shoes. A newspaper is a legitimate expense, but it is not a business. Its stock is in trade, and advertisements should be paid for, not used, in what part of the paper they appear.

WE'RE FOR AMERICA! AMERICANS!

"The best way to get rid of a bad law is to enforce it."—General Grant.

AN HONEST man was discovered in Cincinnati the other day, and it was such a remarkable circumstance that the newspapers printed his picture.

A HUNDRED dogs are being trained in Philadelphia for the Klondike trail—but that isn't a patchin' to the number of donkeys that are in training all over the country.

CONGRESSMAN PUGH has pronounced in favor of the annexation of Hawaii and the virtual repeal of the Civil Service Law, and it is safe to say that his declaration on these questions will have the hearty approval of the vast majority of his constituents.

THERE is a renewal of the agitation for building a new Statehouse at Frankfort. The present ramshackle is good enough for its uses; what Kentucky most needs is a Legislature. When she gets that, a decent Capitol Building and other blessings will follow.

DURING the senseless hullabaloo over the selection of a fair Kentuckian to christen the battle-ship Kentucky, if Governor BRADLEY had commissioned THE LEDGER to select a sponsor, it would have named the prettiest girl in all the state. Mayville could not only have furnished the fair lady, but she has furnished a bottle of the finest whisky to boot.

THE REPUBLICAN Committee of Adams county, O., is after the vote-buyers. One fellow has just been yanked up for giving another fellow \$1 to vote the Democratic ticket, and more arrests will be made. What a lot of fun would follow a movement of that sort in Mayville. It is said one "heeler" here bought votes for the Democratic ticket and paid for them with Republican money.

THE "Civil Service Reform League" of the United States will meet in Cincinnati this month. One of the leading spirits of this "reform" movement is CARL SCHURZ, a professional statesman, who was a rebel in Prussia, a refugee to Switzerland, came to the United States in 1852, and has been an office-holder of some sort or another almost continuously since he became naturalized. In 1857 he ran for Governor of Wisconsin; in 1860 he was made Minister to Spain; in 1862 he was Brigadier and Major General in the Army; in 1865 he was Special Commissioner to the South under President Johnson; in 1869 he was elected United States Senator from Missouri; in 1872 he presided over the Convention that nominated GREELEY; in 1876 he got back to the Republicans and was for HAYES, and in 1877 President HAYES made him Secretary of the Interior; in 1884 he turned his coat again and advocated the election of CLEVELAND; and then, having held all kinds of office under all kinds of political parties, he became a wild-eyed Civil Service Reformer, and has ever since been working to prevent others from getting office. Fellow-Americans, how do you like the picture of this gentleman from Prussia?

THE Philadelphia Ledger remarks that the decay of the Cobden Club indicates that even in England Free-trade theories are waning under the influence of frozen facts.

It is said that Congressman BERRY of the Sixth, Penn of the Ninth and FITZPATRICK of the Tenth District are in favor of damming the Big Sandy—and there are others who wish it dammed.

Mrs. L. V. Davis sells the same quality of goods just as cheap as others.

Buy a Watch from McCarter and be satisfied, both in price and quality.

No To Be Fifty Cents. Guaranteed tobacco habit makes weak men strong, blood pure, etc. All druggists.

The English Sewing Cotton Company was organized in London in opposition to the Coates Thread concern, with a capital of \$10,000.

Superintendent DAVIDSON has sent out checks aggregating \$300,000 to County Superintendents, to be paid schoolsachers next Saturday. This will pay in full to date.

Hon. J. B. Wilburt of Grayson, who was the Republican Elector for this District, is an applicant for the Assistant United States District Attorneyship for Kentucky.

Mr. John Fowler, aged 23, and Mrs. Laura Vernon, aged 19, married in Boyd County. It is not stated whether this is only the second or whether it is the tenth venture for the bride.

The personal estate of the late Mrs. Sarah A. Burgess was appraised at \$1,300. She had \$8,000 worth of Concord and Telleboro Turnpike Company bonds which were reported worthless.

"Our mother in law arrived yesterday from Mobile," writes a Georgia contemporary, "where she has been having a tussle with the yellow fever. We knew she would get the best of it, as she does everything she tackles."

In the beginning, God created the heavens and the earth. Then he made the Editor, the liberal advertiser and the prompt paying subscriber, and it was good. The next day a blizzard set in and he created a man who did not believe in advertising and he rested. Then the Devil got into the book room, and he created a man who takes the Editor's paper for years and fails to pay for it. The Devil then took a rest, but the Editor hasn't rested since.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge of Dr. KILMER of Swamp Rock, the great kidney specialist, every wish in reliving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scaling pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp Rock is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you can't get to him, write him.

Sold by druggists, grocery stores and one dollar.

You may have a sample bottle and pamphlet sent free by mail.

WENT TO THE WALL.

Oldest Whisky House in the West Forced to Assign.

MARYSVILLE MEN INTERESTED.

The Martin-Perrin Mercantile Company, wholesale liquors, Kansas City, Mo., made a voluntary assignment for the benefit of its creditors.

The total indebtedness is \$33,921.73.

Three creditors are named, it being understood that all other claims had been cleared by the Company in preparation for the assignment. The claim of the Metropolitan National Bank of Kansas City is \$35,000; that of the National Bank of Commerce of Providence, R. I., is \$11,000, and that of J. Levy & Bros., wholesale liquor dealers of Cincinnati, is \$4,621.73.

The assets of the Company are estimated at roughly \$65,000.

Edward L. Martin, Vice-President of the Kansas City, Pittsburgh and Gulf Railway Company, was President of the suspended company.

The Martin-Perrin Mercantile Company probably was the very first wholesale liquor house between the Mississippi river and the Rocky Mountains and in the early days it was the largest. Early in the '60s it began as W. A. Newell & Co. Its members were W. A. Newell, J. A. Loughridge, E. L. Martin and C. G. Perrin. In 1869, about the time of the whisky ring excitement, Newell and Loughridge drew out of the firm and Martin and Perrin continued the firm as E. L. Martin & Co. Later the firm incorporated and took its present name, E. L. Martin, its President, was one of Kansas City's first Mayors. In the early days he was also, independent of his liquor house, President of a company that owned and operated a distillery. He was the first President of the Kansas City, Nevada and Fort Smith Railway Company, out of which has since come the Kansas City, Pittsburgh and Gulf Railway.

Mr. Edward L. Martin is a Maysville man, a brother of Mr. William Martin now of this city; and Mr. Loughridge was a Mayville man also.

For a short time along in the '70s Mr. Henry L. Newell, of this city was connected with the firm.

Edmund Bowles With Careless Candy—James J. Shuckford, the head of Sutton Street was discovered on fire yesterday morning, but was extinguished before much damage was done.

To Cure Constipation, For \$1.00 or 25c. H. C. C. fail, drugs refund money.
